

FOROPA Expert Database on Biomass and Biomass Supply Chains

Name and Surname	Herbert Mandl	
Field of expertise	Biomass heating and power plants, solid biofuel procurement, conservation of biomass with micro-organisms	
Recent employment	BIOMA Energie AG	
Address	Grenzlandstrasse 11, 3950 Gmünd	
Phone	+43 676 844451102	
e-mail	<i>herbert.mandl@bioma-pronatur.eu</i>	
Internet	<i>http://www.bioma-energie.at/</i> ; <i>http://www.bioma-pronatur.eu/en/</i>	
Languages	English / German	
Main references	<p>Mr. Mandl is responsible for the procurement of biofuels for the operation of several BIOMA biomass heating and power plants in Austria.</p> <p>He is also managing director of BIOMA ProNatur, a company that specializes in the use of regenerative micro-organisms in various biomass related fields (ensiling, composting, conservation etc.). The company has also developed a procedure for the conservation of wood chips based on micro-organisms which hinders decomposition and reduces mass and energy losses during storage.</p>
